# Think you are completely covered by your major medical plan?

## You don't have all the **Aflacts**.

▶ **Aflac is different from health insurance; it's insurance for **daily living**.**

Major medical pays for doctors, hospitals, and prescriptions. Aflac is insurance for daily living. It pays cash benefits directly to you, unless otherwise assigned, to help with daily expenses due to an illness or accident.

▶ **Aflac is an extra measure of **financial** protection.**

When you're sick or hurt, Aflac pays cash benefits directly to you to help you and your family with unexpected expenses. The benefits are predetermined and paid regardless of any other insurance you have.

▶ **Aflac pays you **cash benefits** to use as you see fit.**

You can use your Aflac benefits check to help pay for groceries, child care, rent...it's totally up to you.

▶ **Aflac benefits **help** with unexpected expenses.**

Your Aflac benefits check helps you pay for the many out-of-pocket expenses you incur when you are sick or hurt—like the cost of transportation to and from medical facilities, parking, and additional child care expenses.

▶ **Aflac belongs to **you**, not your company.**

When you have an Aflac policy—it's yours. You own it. Even if you change jobs or retire, you can take your Aflac policy with you, with no increase in premiums.

▶ **Aflac is **affordable**.**

We have a range of products that can fit most budgets. Aflac can help provide you and your family with coverage and security to help maintain your everyday life in case of illness or injury. And, Aflac rates don't go up, even when you file a claim.

▶ **Aflac processes claims **quickly** — usually within four days.\***

Aflac provides prompt service and fast payment of approved claims to help you pay your bills. While you're focusing on your health, we focus on getting you cash as quickly as possible.

▶ **Aflac claims are **easy** to file.**

When you're sick or hurt, the last thing you need is a complicated form to fill out. Aflac benefits are easy to understand, and our forms are easy to complete.

▶ **Aflac pays you benefits even when you're **healthy**.**

We want you to be healthy—that's why we promote preventative care. Get a routine physical, a mammogram, or an eye exam, and we'll pay you.\*\* It's that simple.

▶ **We have a **spokesduck**.**

Ducks make a variety of unique sounds. However, our spokesduck only makes one sound in many different ways. Also, most company spokespersons don't have wings. Ours does. And we've got you under them.
