# THANK YOU

ACEC/G wants to thank those engineering and related firms that have made financial contributions to Citizens for Transportation Mobility and the *Transform Metro Atlanta* campaign and/or the Georgia Transportation Alliance and the *Connect Georgia 2012* campaign in support of the passage of the regional Transportation; referenda in July 2012. It is hard to overstate the importance of this election in making long neglected investments in transportation infrastructure that enhances mobility and will propel economic development in the Atlanta Region and the entire State of Georgia.

Cabinet - \$50,000+	Parsons Brinckerhoff Wolverton & Associates
Advisor - \$25,000+	ACEC/Georgia AECOM CH2M HILL Jacobs Engineering Stantec Consulting Services
